

About Us

AutoMove.com.au has the largest car carrying network in Australia and is the most professional online vehicle transport agency. Our network includes over 40 of Australia's most professional local & interstate service providers.

Our service is provided by Road, Rail, Sea and Air.

We also provide additional assistance with transit insurance, time frames, items and personal belongings left in the vehicle while in transit and further assistance with non-drivable and burnt and wrecked vehicles.

We help thousands of people each year relocate their cars, utes, vans, 4x4, bikes, boats, jet skis and more...

Our online automated system is constantly being updated with the industry leader's best prices and services, which means that our customers always enjoy the most current vehicle transportation deals available online.

Our recommended suppliers consistently achieve great results with minimum at no service issues and must be on their best behaviour at all times. We constantly measure their performance, customer service, availability, insurance policies, complaints and transit times.

Customer Service | Before, During & After

My job is not finished yet! I will continue to provide you with professional guidance & support through the process and will help you with any enquiry you may have related to your vehicle transport until your vehicle has safely arrive to its destination.

If you find a better price come back to me I will do my best to find you a better deal.

Thank You,
